

**WAC 232-28-295 Landowner hunting permits.**

A landowner may enter into a contract with the department and establish boundaries and other requirements for hunter access consistent with commission policy.

Hunters must possess both an access permit from the landowner and a hunting permit from the department when hunting on lands and for species covered under contract.

**(1) Buckrun**

Buckrun is located in Grant County, near the town of Wilson Creek. A legal description of the property has been filed with the county and is in the contract between Buckrun and the department.

Hunting on Buckrun is managed for a quality experience by scheduling hunt dates and keeping the number of hunters in the field low. Hunters with limited flexibility for hunt dates may experience scheduling problems. Hunters can generally expect one day hunts during the permit seasons with written authorization from the Buckrun manager. All hunters must check in and out on hunt day. Schedule hunts in advance by calling 509-345-2577.
